Dear Cattle Auction Supporter:

The well-being of children and their families is at the cornerstone of everything we do. Broken families, abuse, poverty, homelessness, overwhelmed parents, behavioral issues and interrupted schooling lead to heartbreaking scenarios. And that's where the Children's Home intervenes—right in the thick of situations that are uncomfortable, messy or downright tragic. We provide help, hope and insight for those youngsters in need.

What does this mean exactly? For the homeless teen wandering the streets it means giving him a safe, stable living arrangement and the promise of food every day. For the young mother struggling with unresolved past issues and limited resources it translates into much-needed counseling and childcare assistance. For the high school drop out that has always felt like an outsider it means allowing him to find a school that understands, accepts, and prepares him for meaningful employment. When the Children's Home intervenes in situations like these, we all benefit from better, more stable communities.

Here's our ask. **Join us Saturday, September 10th at Weaver Angus Farms for the 52nd Annual Cattle Auction.** Help us celebrate 150 years of changing lives - saving lives. Please see the attached sponsor levels and contact Amy Vonachen at avonachen@chail.org or 309.687.7268 with any questions. Let's make this historical event the best yet!

2016 marks the 150th anniversary of the Children's Home Association of Illinois. While this sesquicentennial is quite a milestone, there is really no greater thing to celebrate than this: the thousands of children and families that have been saved by the organization over those years. For that, we are grateful.

Sincerely,

Travis Weaver
