

DIAPER DRIVE

One-third of US families struggles to provide enough diapers to keep a baby or toddler clean, dry, and healthy.

Diapers are needed in three Children's Home programs:

Good Beginnings

Offering education and support to first-time, at-risk pregnant and parenting women in Peoria and Tazewell counties through home visits, prenatal parenting groups, and Doula services.

INTACT

Serving families that are under DCFS investigation with goals of mitigating the safety issues and keeping the family together, if possible.

Foster Care

Providing temporary homes for children and adolescents by placing them with foster families until the time where they are able to return home.

Diaper Donation Drop-Off

Monday - Friday, 9am - 4pm
2130 N. Knoxville Ave., Peoria

(Main entrance is in the back of the building off E. Thrush Ave.)
